## This road sweeper courts you!

for small tractors, communal vehicles & small loaders!

## **Quality for cost-conscious people!**

The **ECO** has primarily been made for costconscious farmers who want a first-quality road sweeper. Thanks to multiple working widths this road sweeper cannot only be attached to tractors, but also to yard loaders and small fork-lifts. A variety of hitch systems guarantee an optimum fitment to your carriervehicle. Basic equipment incl. brand-named wheels with height adjustment, mechanical angling incl. shear-off bolts and a resistant PP-brush.

technical data	150	180	230	260	
working width (straigt/angled) cm	150 / 141	180 / 169	230 / 216	260 / 244	and non-binding
